What is an Adult Day Services

Adult Day Services are designed for adults over the age of 55 who may have physical and/or memory challenges or are living with a chronic illness. ADS play a main role in allowing people to remain living in the community as long as possible by optimizing their level of physical, spiritual, social, and emotional function. The services provide a great opportunity for social interaction, new friendships and fun.

Adult Day Services keeps my husband energetic and active. He looks forward to getting dressed and going to the program. I give St Clair O'Connor Adult Day Services 5 stars!

- Janet, Caregiver

Objectives

- To develop and maintain physical, intellectual, social and spiritual abilities
- To provide respite to family members.
- To help the person live in the community for as long as possible.
- To lessen isolation and loneliness.

Client Focused Activities
