

# Memo

<b>To:</b>	SCOC Residents, Families and Staff
<b>From:</b>	Mary Hoare CEO
<b>Date:</b>	April 17 2020
<b>Subject:</b>	COVID-19 Update

To-date there are 12 active cases of COVID-19 in our Long Term Care Home. This was confirmed early in the week as all Residents in LTC were screened by order of the Ministry of Health and Long Term Care. There are 5 Residents who have are tested negative and 1 Resident is not in the home as she left to visit her daughter prior to the outbreak

There continues to be **NO** confirmed cases of COVID-19 in our Independent Living Apartments. This week 7 Residents in the apartments were tested as they complained of varying symptoms of COVID-19 but swab results were **ALL** negative.

To-date there have been **NO** further deaths in Long Term Care directly related to COVID-19.

To-date there are no new cases of COVID-19 in members of staff. Two staff have returned to work.

We continue to screen all Residents in the Independent Living apartments twice a day between 9:00 am and 9:00 pm and temperatures are be taken at the morning screening and only repeated at the evening screening if the answer to our screening questions is positive.

**Mary**  
CEO
