<b>Subject:</b>	New Suspect Covid-19 Outbreak Declared at SCOC by (TPH) Toronto Public Health

Toronto Public Health has declared a Suspect COVID-19 Outbreak at SCOC.

One staff member of the Security Team tested positive for COVID-19 on March 12<sup>th</sup>, 2021 at 6:00PM. The investigation continued over the weekend, additional tests were done for verification and TPH made it official yesterday March 15<sup>th</sup>, 2021 that SCOC will be classified as "Suspect Outbreak".

We have suspended the security service for now as additional tests are being done on the complete security team. There are no other positive cases currently at SCOC (staff and residents).

We have continued with enhanced cleaning and disinfecting throughout the building. And will continue to be vigilant in following all Infection Prevention and Control processes and guidelines.

The following precautions remain in place and available for all residents should they wish added protection:

- Tenant screening is available in the main entrance daily between the hours of 6am to 9 pm.
- The Province of Ontario implemented regulations on the mandatory wearing of a mask or face covering through Ontario. We urge you to wear face coverings

(masks) while in the common spaces, and hallways of the community and when off premises.

- Under the temporary physical distancing bylaws, people who are not from the same household must maintain a physical distance of two meters (six feet) apart. Social distancing rules must be adhered to and only 5 people will be allowed in the Tea Room at one time, dining in is not allowed.
- The Tea Room remains open Monday to Friday from 10 am to 11 am and from 2 pm to 3 pm so that food items, fresh coffee and pastry can be purchased.
- The Dietary Department will be open for meal preparation and delivery only (breakfast, lunch, dinner). No dine in will be allowed.
- Adult Day programs and SALC will be either delivered virtual (ZOOM) or one-to-one visits (no group sessions).

We appreciate everyone's cooperation and patience.
