COVID-19 UPDATE
Good Afternoon All,

Great news everyone. We are no longer in Covid-19 outbreak or suspected outbreak. The staff member that tested positive for Covid-19, was cleared with a negative result. The original test conducted was a false positive.

Vanda Cozier has been diligent on working with Toronto Public Health, MOLTC, and the Team at Michael Garron Hospital. I appreciate the staff for reacting as swiftly as they have and all their hard work in making sure the community at SCOC is safe and healthy.

Effective Thursday October 29, 2020 at 12:00PM, SCOC will resume normal operations. The dining room will be open for lunch and dinner, the Tea room will be open as usual.

We are in touch with the MOH and Public Health daily and are altering our protocols and routines as needed. We will keep you informed of any changes.

As Covid-19 cases increase throughout Toronto, let us all continue to social distance, wear a mask and constantly disinfect hands when needed. Please be safe

Regards
Gary Basran
Chief Operations Officer / Chief Financial Officer
