

# Memo

<b>To:</b>	SCOC Residents, Families and Staff
<b>From:</b>	Gary Basran (CEO) Vanda Cozier (DOC)
<b>Date:</b>	June 10, 2022
<b>Subject:</b>	COVID-19 UPDATE

SCOC is recognized as a congregated living facility by Public Health. Long-Term-Care, Assisted Living and Independent living share the facility and all precautions that are taken are done to protect the community. We will continue to follow Public Health guidelines to keep everyone safe. We encourage our community to be diligent and continue to wear masks, social distance, hand sanitizing and continued screening.

Current incident being monitored:

- Tuesday June 7<sup>th</sup>, a dietary staff called in sick with symptoms of a cold.
- Wednesday June 8<sup>th</sup>, we ran an antigen sample which was positive, and we are waiting for the results of the PCR test through public health.
- Thursday June 9<sup>th</sup>, we began contact tracing to confirm all residents that were in contact with Covid-19 positive staff member in the dining room.
- Antigen testing has been conducted with all residents that were in close contact. Currently we have no positive results.

We will continue to conduct tests on residents in close contact and will monitor for any signs of Covid-19. Please let us know immediately if you have symptoms and continue to self-monitor. Further updates will follow. We appreciate your patience and cooperation.

Be safe,

**Gary Basran, CEO**
